

As we begin 5781 on the Jewish calendar, we hope you and your families are in good health. Rosh Hashanah provides us an opportunity to reflect and look to the future. Who among us could have predicted COVID-19, its duration, and all the challenges it would lay at our feet? But, at the same time, COVID-19 has given us an even stronger sense of community. We at Jewish Family Services of Washtenaw County want you to know that you are in our thoughts and hearts every day. Now more than ever, it is important to believe in the power of compassion to repair our world, a tradition which is at the core of the JFS mission!

We remain forever grateful to all of you in the community: our clients, partners, donors, and volunteers. Your involvement and support enables us to continue to create solutions, promote dignity, and inspire humanity.

JFS is with you today, tomorrow, always.

We are thankful for you. You are not alone. We are in this together. May our individual and collective time, talents, and treasures help create a safe, healthy, and sweet year for all.
